

Training Vouchers

MIS Global Technologies Training Vouchers are an excellent way to take care of your training budget for the year, whilst saving you valuable time and money. They also allow you to extend your departments training budget.

Training vouchers are a great way to get a single approval or purchase order for a book of vouchers. Once purchased, simply use them anytime in the next 12 months.

Advantages of Purchasing Vouchers

- Great value for money
- Easy to use, possibility of choice when and where to use the vouchers so anyone in the company can use (perfect for training new employees).
- Save time, effort and paperwork by taking care of your training needs for the entire year with one purchase order
- Vouchers can be purchased and used on any desktop public course within the next 12 months
- No need to group students or conduct private classes
- Vouchers are easy to budget for and administer

Are there any restrictions?

A few basic restrictions apply:

- Vouchers cannot be used for on-site training
- Vouchers are valid for a period of 12 months from the purchase date and must be used before the expiry date shown
- Vouchers are non-refundable
- Cancellation and rescheduling fees will apply for bookings cancelled without 14 calendar days notice (another student however may be sent in their place with no cancellation fee)
- Vouchers cannot be combined with any other offer
- Must be pre-paid in full before use

Training Voucher Pricing

The more you buy the better the discount. Vouchers may be purchased in lots of 25. This equals a saving of 30% or \$150 per day of training when buying in bulk.

Quantity	% Discount	Price Discount	\$ Saving
25 Vouchers Technical	30%	\$450 each (1 days training)	\$150 per day
25 Vouchers Desktop	30%	\$300 each (1 days training)	\$85 per day

Save Time, Save Money, Save Hassle!

What a great way to save time, money and the hassle of going through the approval process every time you want to send someone on a course. Vouchers are very simple, easy and a convenient solution to all your computer training needs.
